

It's our pleasure to write on behalf of Mr. Somepalli Sriteja, born on 16th June 1993 in Gonuguntlavaripalem (India), employed as an Application developer in IT department from 01.01.2018 to 31.07.2018 in our company.

SignSpin, was established in 2008. SignSpinning is an innovative indoor - outdoor advertising and a spectacular sport. It is a lively art of advertising with human touch and thus attracts the attention of thousands. TK Maxx, Volksbank, Subway, O2 are some of our prestigious clients.

He undertook the following tasks independently at our firm:

Multi-platform application development

- Developed an application meeting the needs of SignSpin UG.
- App runs on both Android and iOS platforms.
- Tested the application using Robo testing technique.
- Published the application in Google play store and iOS store

Technology Stack:

- Angular V5, TypeScript ES6, HTML5, CSS3.
- Ionic (Ionic CLI) : 3.20.0.
- Cordova (Cordova CLI) : 8.0.0.
- Firebase, Xcode: 9.4, Android Studio: 3.0.1.

Mr. Sriteja was an extremely motivated employee. He tackled difficult tasks with great vigor and always found meaningful and practical solutions. With a good look for the essentials, he always performed his tasks in a timely manner, methodically and thoroughly. Even in situations with extremely high work loads, Mr. Sriteja proved to be a very resilient member of our staff, and at all times he was deliberate, calm and purposeful. His work results were always of good quality, even with changing requirements and under very difficult conditions. Mr. Sriteja has always fulfilled his tasks to our fullest satisfaction and conformed our expectations in every aspect optimally. Mr. Sriteja always behaved exemplary to superiors, employees and customers. He contributed to an excellent and efficient teamwork.

Mr. Sriteja leaves our company at his own request. We thank him for his outstanding services and regret his departure very much. We wish him all the best in his future endeavors and we are convinced that he will achieve extraordinary success in the future as well.
